

OUR DECLARATION

Our Motto

"Shaping the Better Citizens"

"Education is the most powerful weapon which you can use to change the world."
– Nelson Mandela

To provide relevance and meaning to education, the education should focus on supporting the skill and flexibility, the students will need in tomorrow's world. We recognize this approach to education as a pressing need of our time and encourage our students to have an all round development.

We will walk with our students hand in hand from "Base to Mount Everest."

Our last 17 years journey marks every accomplishment and rewards.
